

Mathew Wilson – Head PGA Golf Professional

We are riding on the back of some great weather at the moment as well as the fact that European Golf is leading the world.

Most of us saw Rory McIlroy show the golfing world how to do it at the US Open.

His Father stated that he had started practicing !!

Which leads me to our New Range facility with Nike 2-Piece golf balls.

We have a great facility now for everybody to warm up and get their game in shape.

Why not get yourself fitted for some NEW Clubs, we have Demo clubs available for trial in all the 5 major companies that we Stock that can be used on the range, go on Tempt yourself.

Also, some of you have already met Iain in the shop. Iain Donnelly has joined as a retail assistant and has a lot of experience in the world of golf, having been Dorset County Captain and a scratch golfer for many years. I'm sure he will be a great addition to Pro Shop.

As you will have noticed since we last contributed to the Tee to green we have stocked some slightly different brands from the requests that some of you have made over the past few weeks.

We have now got the following in stock:

If there is anything you have seen that you would like us to try and track down for you please ASK.

Thank you & Good luck

Mathew, Adey & Iain

Coming events:

Demo Day - Thursday 28th July – 2 p.m. til 6 p.m.

Finally, just a quick question. Does your putter have the VIBE ??

Ask Myself or Adey how you could improve your putting through getting the Vibe.

Lessons are available in all aspects of the game from Myself and Adey.
